Day 4 & 5: SERENGETI NATIONAL PARK

Safari in Swahili simply means a "journey". Nowadays it has become a synonym for wildlife viewing in the African bush. Enjoy morning and afternoon game drives in the endless plains of Serengeti plains which sustain the greatest and most spectacular concentration of wildlife found anywhere in the world including great herds of wildebeest, zebras and gazelles or a pride of lions dawdling in the acacia trees.

Meals and overnight at **Seronera Wildlife Lodge**

Day 6: NGORONGORO CRATER

After breakfast, collect packed lunch and drive to Ngorongoro crater well known as a highly successful sanctuary for the endangered black rhino. Strategically Ngorongoro Crater is often referred to as the 8th wonder of the world, a large caldera that hosts the most unique ecosystem on Earth with 20,000 large grazing mammals and the largest concentration of predators on earth playing a key role in the maintenance of the ecological balance. Your experience will start by descending 2000 feet (over 600 metres) to the floor of the crater to explore the forest areas that are inhabited by monkeys and elephants, the lake area, where you may see the flamingos and the open savannah where many predators hunt to make their kill. Thereafter drive to your lodge.

Dinner and overnight at **Ngorongoro Farm House**
